David Cote's 10 best shows of 2014

3. Straight White Men

Dear white people: Young Jean Lee has a play for you... but not the sort of anti-cracker satire you might expect. Sure, there are painful laughs revolving around patriarchal privilege or white guilt, but just as many poignant insights into her four troubled characters. Hijacking the stale conventions of fourth-walled domestic drama, audacious auteur Lee finds political and moral urgency in familiar forms.
